

## Mrs. Meyer`s Magical Garden: A Novel

The Book Elis parents split up, shattering everything she has known before. Her sorrow almost unbearable, she finds the entrance to a forbidden garden; home to a strange old woman who should have been long deceased and who claims things impossible. She helps Eli to see a world which returns her to happiness until that fateful day when tragedy strikes A novel that carries you back to the carefree garden of your childhood; to that wonderful, magical world of boundless imagination.
