

Action Filmmaking Presents: The Youtube Producers Handbook

A filmmaking book specifically for up and coming Youtube filmmakers, video bloggers, podcasters and content producers. The book covers everything from picking cameras and equipment to writing, production and making money from your videos on Youtube. It also teaches you how to start a company, avoid scams and keep your account protected. This is a not a 10 page read through, but a real book that shows you how to become a Youtube Producer from a Youtube Producer.
