

Broken The True Natural Series

Kendall has learned a lot about herself since last fall; how she became the True Natural, how to wield her powers, but the most important thing, is how to stay alive. It has been a while since Kendall has seen or heard anything of Malik; however, she knows he is still out there somewhere. While taking a break from the reality and the chaos that consumes her life, Kendall's Aunt Marie goes missing. With help from her family and some unexpected allies, Kendall will go to the ends of the earth to find her. Will Kendall succeed before her life and everything she loves is broken?
