

## New Orleans Style

After more than three hundred years, New Orleans style is not just sartorial but also venerable. A melting pot of cultures gives rise to the diverse fashion influences of French sophistication, Spanish exuberance and deep Creole roots. Classic trends like jazz style, the ebullient irreverence of Mardi Gras festive fashion and seersuckers cool lines are quintessentially New Orleans. The local aesthetic established by the keen eyes at Maison Blanche and D.H. Holmes, master haberdashers at Rubensteins, milliners like Yvonne LaFleur and perfumers Hove Parfumeur formed a foundation on which the city's rising stars reinvigorate and build a new fashion capital. Join author and designer Andi Eaton and discover the Big Easy's stylish legacy and a new side of New Orleans.
