

Night Visions: Contemporary Male Photography (Photo Anthology)

Visions - Contemporary Male Photography from 2006 was just the beginning! Our newest photographic anthology Night Visions is again giving over 60 photographers the chance to present their works to a gay audience around the world. These highlights of contemporary male photography are collected on 320 pages. It includes well-known artists and plenty of promising newcomers. Whether romantic or fetish, sex or tenderness, staged or street photography - the over-arching theme is always the night. A wide variety of styles are represented and taken together they provide a good overview of contemporary gay art. This collection is a must for anyone interested in photography!
