He spotted her in Club Nightshade, a beautiful goddess among the mortals, and from that moment on she was his everything. She tempted him. She intrigued him. He wanted her. Sabrina Donahue knew she was playing with fire from the moment their lips met, but something about Roman Arceneaux made it difficult for her to care. Sensual and darkly intense, Roman is every woman's fantasy come to life. One by one, Sabrina's reservations fall prey to his skilled seduction, leaving her dreaming of a future she never imagined. When monsters and mayhem intrude upon their lives, Sabrina's fragile existence is threatened and Roman is left to wonder if their love will survive.
