

The Human Figure: Instructions in Methods and Materials for Drawing and Painting the Human Figure in Action and in Repose (Painters Corner)

Dedicated mailing and e-mail campaign to targeted art related media & organizations. This book features: techniques & methods; historical aspects; tips from the experts; practical advice; and, more. Titles in the Painters Corner series are self-teaching manuals for ambitious amateur artists but can also serve as fine textbooks for the art classroom. Each book opens with a concise overview showing the great variety of effects that artists can achieve. Instructional sections follow on all techniques and applications the painter is likely to encounter and this is followed by recommendations on artists tools and accessories.
