

## Parrotlet Handbook (Barrons Pet Handbooks)

Titles in Barrons popular series of Pet Handbooks are filled with reliable information and helpful advice on animal care. Written by breeders, veterinarians, and other pet experts, these photo-illustrated books instruct on housing, feeding, healthcare, and where applicable, grooming. Titles devoted to dog breeds also discuss exercise needs and training methods. Barrons Pet Handbooks resemble Barrons alternate series, the Pet Owners Manuals, but each of the Handbooks has a larger page count and includes more detailed advice and instruction.
