

Parrakeet Breeding for Profit and Other Aviary Birds

This text contains a detailed but accessible treatise on the breeding, housing, feeding, care, and management of parakeets, cockatiels, love birds, and finches. The perfect book for anyone with an interest in keeping these wonderful birds, this antique text makes for a great addition to collections of avicultural literature. The chapters contained herein include: The Breeding of Shell Parakeets, Keeping Record of Young Raised, Colours of Parakeets, Colour Breeding, Parakeets as Pets, Watch These Things Carefully, The Breeding of Cockatiels, Red Rumped Parakeets, Love Birds, Love Bird Species, Zebra Finches, Vitamin Bird Food, Miscellaneous Finches and Other Birds, The Avadad of Strawberry Finch, et cetera. Many antique books such as this are increasingly costly and hard to come by. We are proud to republish this text now complete with a new introduction on aviculture.
