

Pattern Sourcebook: Japanese Style: 250 Patterns for Projects and Designs

A collection of traditional Japanese patterns plus a CD ROM companion featuring 250 for use in design work. Pattern design has a long history on the Japanese culture. This book presents a collection of carefully selected traditional Japanese patterns in 60 categories for use by designers and artists in their projects and personal work. An companion CD ROM provides 250 patterns in high-definitonal JPEG format along with PSD format from which you can freely manipulate and modify the patterns to customize them for your own use. This is an inspirational and highly practical reference and sourcebook for anyone working in the area of visual art.
