

## Adventures of the Magical Orange Boots: #AOTMOB

Adventures of the Magical Orange Boots is awesome! Its the Worlds First Childrens Book Illustrated by You. Inside, there is a space for children to draw what they visualize after reading the text on each page. In short, every child who is lucky enough to own this book will be able to call it their own; for having drawn each picture in the book. With this innovative take on literature, children learn to communicate their thoughts into drawings. Parents think its a great interactive tool. Children think its just plain ole fun. After flipping through the pages, with self illustrated drawings and incredible text written by Hakeem Animashaun, children will not want to put this book down. Adventures of the Magical Orange Boots is an iconic book that will inspire the artist in every child.
