

Planning Your Business in the Horse As Healer/Teacher Professions

This book provides a spiritual and inspiring account of how to be the difference you want to see in the world with clear vision and practical knowledge. Topics include shifting paradigms from natural horsemanship to horse as healer/teacher, horse and human skills required, understanding acronyms, what to call what you do, choosing a training program, successful skills of a business owner, creating your vision, preparing a business plan, administration, marketing, finances, facility and horse selection, insurance, permits, code of ethics, and more. Whether you are just starting out or have an established business, gain new insights on how to succeed in this new and exciting field from a true trail blazer.
