

Performance Coaching: A Complete Guide to Best Practice Coaching and Training

Performance Coaching offers a guide to the fundamentals of coaching with an overview of all the key principles, tools and case studies you need to develop more advanced knowledge. Whether you're thinking about becoming a coach, already running a professional coaching practice or thinking about how you can embed a coaching culture in your organization, Carol Wilson illustrates how to develop a best practice approach. Using practical tools throughout and with international case studies to illustrate the various cultural challenges coaches and managers can face, Performance Coaching is a complete resource for developing coaching in any organization. This new edition of Performance Coaching has been completely updated to offer a greater focus on building a coaching culture in organizations and the challenges that leaders face in understanding and developing a coaching approach.
