

Capturing Nature in Watercolor

Featured in this imaginative instructional are quick and easy ways to customize all kinds of glass and ceramic pieces with dashes of color to suit the style and palette of any room. The thirty-plus projects include vibrantly colored bowls, gold-studded champagne glasses, pretty polka-dot teacups, and a spiral-design vase. Sponging, stamping, stenciling, and other simple techniques are explained in step-by-step detail so that even inexperienced painters and crafters can achieve attractive results. More than a dozen templates and a source directory complete this practical, idea-packed book.
