

Digital Photography: DSLR Guide For Beginners (Digital Photography For Beginners Book 2)

Bought a friend or family member a new DSLR Camera? Have you bought a DSLR camera and not been able to quite master it? Tired of Being laughed at for using autofocus? Want to take professional looking pictures? Are these questions that you are crossed with? If so, this book is for you. In this book we will teach you step by step tips and techniques to help you master your DLSR camera. Like a camera lens, this timeless guide works on all platforms and will have a place in a photographers toolbox, even as new technology emerges. Learn how to do: Pet Photography, Sunset/Night time Photos, Learn exposure, lighting and flash, and much more! Dont waste your time on any other beginners guide. The DSLR guide for beginners is the only book your ever going to need.
