

DANCE INTO THE WYRD (Lord of the Wyrde Woods Book Two)

Wendy Twyner feels that she has found a home in the Wyrde Woods. She is slowly transforming herself into Wenn o the Farisees with the help of locals Joy Whitfield and Willick Maskall but above all her Green Man Puck. Just as she comes to terms with her life at long last she finds out she must risk it all in order to save the Wyrde Woods from destruction. You dont need time portals, faery dust, or magic wardrobes to experience a profoundly different world...all you need to do is walk into the Wyrde Woods. Chances are that they will appear familiar...we have all been there. That timeless dreamtime inhabited by archetypes where anybody can become the hero, especially those who consider themselves the least worthy. An Urban Fantasy Thriller with a dose of Magical Realism thrown in for good measure. This is also a Green Thriller and Eco-Book with a strong emphasis on the environment. Half the royalties for this book have been pledged to the LAMBS campaign in East Sussex to help them oppose a greed-driven consortium of property developers. Intended for Young Adults and older. Theres some Rock-n-Roll but nothing explicit. This is the second and final part of the series: Lord of the Wyrde Woods.
