

Pink Pussy 3

The faces and gestures in these pictures vary. Quinn Dolan's models may be alluring, flaunting, decisive, proud or lustful, but fortunately they're never shy. Some of his models present their pussies as a girl might: shyly smiling, proudly, with a smirk, playfully. Other models show their pubes as a woman would: conscious of the sanctity of this special place, like a priestess of the holy temple. Text in English, German & French.
