

On Stranger Tides

On Stranger Tides follows the exploits of John Chandagnac, who travels to the new world after the death of his puppeteer father to confront his uncle, who has apparently made off with the family fortune. During the voyage, he befriends Beth Hurwood and her father, Benjamin Hurwood, an Oxford professor. Before they arrive at their destination, their ship is waylaid by Blackbeard and his band of pirates. With the help of the professor and his assistant, the captain is killed and Chandagnac is pressed into piracy and sorcery as Blackbeard searches for the Fountain of Youth. Chandagnac, newly dubbed Jack Shandy, must stop the evil plot and save Beth Hurwood. Tim Powers is the author of over a dozen novels, including *The Anubis Gates*, *Declare*, *Last Call*, and *Three Days to Never*. He has received the Philip K. Dick, World Fantasy, and Locus awards. He lives in San Bernardino, California.
