

Pirelli - The Calendar: 50 Years And More

Undress for history, please: The complete Pirelli retrospective. The notoriously exclusive Pirelli Calendar, featuring glamorous shots of beautiful women, was first published in 1964. Reserved for important clients and VIPs, the calendar has since grown into a legend of its own, showcasing the beauty of models such as Alessandra Ambrosio, Gisele Bundchen, Naomi Campbell, Laetitia Casta, Cindy Crawford, Penelope Cruz, Milla Jovovich, Heidi Klum, Angela Lindvall, Sophia Loren, and Kate Moss. In celebration of the 50th anniversary of the now-legendary institution that is the Pirelli Calendar, TASCHEN brings you a retrospective volume reproducing the complete calendars, photographed by Richard Avedon, Peter Beard, Patrick Demarchelier, Nick Knight, Karl Lagerfeld, Inez van Lamsweerde and Vinoodh Matadin, Annie Leibovitz, Peter Lindbergh, Sarah Moon, Terry Richardson, Herb Ritts, Mario Sorrenti, Bert Stern, Mario Testino, Bruce Weber, and many more. Bonus features include rarely and never-before-seen behind-the-scenes images of the shoots, the unpublished 1963 calendar, and a selection of censored images deemed too risqué by the editors of the time. With an introduction by Philippe Daverio and an interview with art directors Derek Forsyth and Martyn Walsh. Text in English, French, German, Italian, and Spanish.
