

## Rich App Poor App

iPhone and iPad applications offer a global commercial opportunity that no other mechanism can provide. With application sales measured in their 10s of Billions, there is little surprise you have decided to investigate further, and well you should... Like any industry there are Best practice techniques you should follow, and a number of easy-to-avoid (if only someone told me) commercial traps, that you cant afford to fall into. This book will take care of you throughout your entire journey, from a blank page, to an App Store hero. Your exciting journey starts right here...
