

The Dead Seekers (A Dead Seekers Novel)

In the New York Times bestselling Noble Dead saga, Barb and J.C. Hendee created an engrossing mix of intrigue, epic fantasy, and horror.* Now, they present a bold new series set in the same world, where the destinies of two hunters shaped by the shadows of their pasts are about to collide... In the dark reaches of the eastern continent, Tris Vishal travels from village to village, using his power to put unsettled spirits to rest. He works alone, having learned that letting people close only leads to more death. Still, he finds himself accepting the help of the Mondyalitko woman who saves his life a woman whose gifts are as much a burden as his own.

Mari Kaleja thirsted for vengeance since the night her family was taken from her. She has searched far and wide for the one she thinks responsible, known only as The Deads Man. But before she can kill him, she has to be sure. Mari hopes traveling with Tris will confirm her suspicions. But as they embark on a hunt where the living are just as dangerous as the dead, she learns the risks of keeping your enemy close... Because its no longer clear who is predator and who is prey.
