Pro Tools LE 7 Ignite!

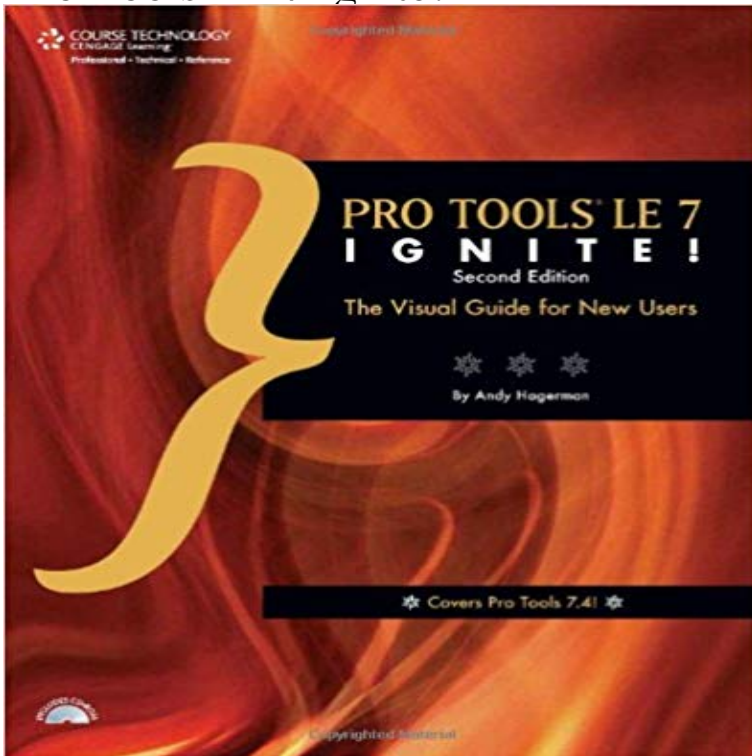

Get ready to explore the world of computer music creation with the newest version of Pro Tools LE! Even if youve never created music on your computer, this book will give you the skills you need to record and mix with confidence. Steps are presented with easy-to-follow clarity and are accompanied by screen shots that make it easy to dive into the features of this amazing digital audio workstation. Begin with the basic techniques of recording, editing, and mixing MIDI and digital audio. Then, get ready to harness the power of Pro Tools as you explore software effects, virtual instruments, and mixes that you can automate and edit with some of the best tools in the business.
