

Questionable Doctors Disciplined by State and Federal Governments: California, Hawaii

In this regional edition for California and Hawaii, 2192 doctors are named who have had disciplinary action taken against their license. This project, titled 16,638 Questionable Doctors, was designed to assist consumers in making better informed health care choices. The individual doctor listings aid patients in understanding the quality of care they would potentially receive or have already received from a particular practitioner. Find out which doctors have been disciplined and why, how to increase your safety when choosing a doctor, how to file a complaint about a doctor and how to improve your quality of medical care.
