

The Musicians Guide Through the Legal Jungle : Answers to Frequently Asked Questions About Music Law (Guide Through the Legal Jungle Audiobook Series)

Isn't a successful music career worth 3 hours of your time? Then spend those hours with *The Musicians Guide Through the Legal Jungle*. If you're bewildered by the maze of legal concepts in the competitive music business, you've found the solution to your troubles. With this audiobook, you'll get a practical overview of music law without having to trudge through pages of dense legalese. Listen in on a conversation between a musician and a legal expert as they address the legal issues of greatest interest to performing artists and songwriters and to anyone else pursuing a professional career in the music industry. You'll get vital information about:

- * Negotiating record deals and songwriter agreements
- * Generating income from your songs
- * Calculating your record royalties step-by-step
- * Protecting your music through copyright law
- * Hiring agents, managers and attorneys
- * Working with a music publisher versus handling your own publishing
- * Establishing rights in your band name through trademark protection
- * Organizing your band as a business and developing a written agreement among band members

The audiobook package includes a 62-page booklet featuring a glossary of music industry terms, contract negotiation guides and a listing of resources.
