

Early American Country Furniture: 22 Projects Inspired by the Work of 18th and 19th Century New England Woodworkers

22 original woodworking projects informed by new England country furniture from the 18th and 19th century. Project plans include: Two Salt Boxes, Seamans Chest, Hanging Cupboard, Chest of Drawers, Two Corner Cupboards, and more! Each project is photographed in period homes, accompanied by historical notes and by fully illustrated step-by-step construction instructions. The book also includes articles on period hardware and finishes, on wood selection, and many other related topics.
