

Renaissance Ornament (Ornamental Design)

The volumes in this new collection differ from many competing editions in the number of ornaments depicted, making these books far more efficient, as interested users don't need to click through myriad time-consuming computer files. This book also comes with a CD-Rom containing a library of copyright-free images, which allows the user to transfer selected items directly into their own work in high resolution quality. All in all, this collection provides a great price-performance ratio.
