

Rob Pruitts eBay Flea Market: Year 1

This book retraces one year in the life of Rob Pruitt (born 1964) through the quotidian objects that the artist once loved, consumed, then finally sold. An extension of the flea markets he has organized since the early 1990s, this collection sold on eBay from September 2013 to September 2014 unearths the fragments of Pruitts life.
