

Madia Mangalena (Romanian Edition)

Un spatiu degradat, unde realitatea a fost corupta, iar singurul refugiu ramane realitatea virtuala, lumea imaginara in care locuitorii traiesc cu adevarat. Aici se desfasoara de altfel si confruntarile, intr-un joc gigantic, nesfarsit. Un univers bolnav, inasa nu lipsit de speranta. Intr-un spatiu aparent desacralizat, fiecare personaj isi are visele si credinta sa, fiecare dezamagit isi construiesc refugiul sau si asteapta o viitoare mantuire, niciodata implinita, dar intotdeauna posibila.
