

Saving Cinnamon: The Amazing True Story of a Missing Military Puppy and the Desperate Mission to Bring Her Home

Set against the backdrop of the war in Afghanistan, *Saving Cinnamon* chronicles the love story of Navy Reservist Mark Feffer and a stray puppy he bonded with while stationed outside of Kandahar. When Mark is about to return stateside, he decides to adopt Cinnamon and sets up her transport back to the United States. But the unthinkable happens: Cinnamon is abandoned by the dog handler who was supposed to bring her home and disappears without a trace. Mark and his family start a desperate search for the puppy that lasts forty-four days and ends dramatically when Mark and Cinnamon are finally reunited. This is a touching memoir told by Marks sister, who initiated the rescue efforts.
