

Shakespeares Wordcraft (Softcover)

(Limelight). Written for readers who have a passion for Shakespeare, Shakespeares Wordcraft takes a comprehensive look at Shakespeares stellar use of language devices throughout his plays, devices he used to ink memorable lines like these: * I must be cruel only to be kind * Fair is foul, and foul is fair * Once more unto the breach, dear friends, once more! * Friends, Romans, countrymen, lend me your ears! In a clear, accessible, non-academic style using plain terms, modern quotes, and several thousand examples Shakespeares Wordcraft deftly reveals how these lasting lines were not accidental or coincidental, but designed and crafted by a master of the word.
