

Friends and Gems Acrylic Painting Lesson for Beginners: Sparkling Gold (Volume 13)

To my dear sisters and cherished friends,

We as women get so busy! We go to work, take care of our children and husbands, and do all the errands to keep the house running. On and on it goes. We see our friends at church, in passing, or at the grocery store, and always comment on how we should get together but then we don't. And we say the same thing the next time we see them. Does this sound familiar? Friends and Gems Acrylic Painting Lesson for Beginners Sparkling Gold is a wonderful combination of spiritual lessons (gems) and an actual painting lesson. This is book number thirteen in the Friends and Gems series; it is designed to be used by women either in a small-group setting or alone in your own personal quiet time. The course includes simple step-by-step instructions and to create the beautiful acrylic painting featured on the cover. The painting is a beautiful tree using the spatter technique and glitter no art skills necessary! I wanted to make this not only a painting tutorial but a relaxing time of peace and inner reflection. So I have included stories, poetry, simple bible lessons, scriptures and places for you to record your thoughts while you work on your project either alone or in a group. Along the way, you will learn life changing spiritual truths that you can apply to your own life, all while spending time with your friends. Sound like fun? Lets get started!
