

The Hobbit (SparkNotes Literature Guide) (SparkNotes Literature Guide Series)

Get your A in gear! They're today's most popular study guides—with everything you need to succeed in school. Written by Harvard students for students, since its inception SparkNotes has developed a loyal community of dedicated users and become a major education brand. Consumer demand has been so strong that the guides have expanded to over 150 titles. SparkNotes motto is Smarter, Better, Faster because: They feature the most current ideas and themes, written by experts. They're easier to understand, because the same people who use them have also written them. The clear writing style and edited content enables students to read through the material quickly, saving valuable time. And with everything covered—context; plot overview; character lists; themes, motifs, and symbols; summary and analysis, key facts; study questions and essay topics; and reviews and resources—you don't have to go anywhere else!
