

Michelangelo: 16 Art Stickers (Dover Art Stickers)

Created by one of the towering artistic figures of the Renaissance, Michelangelo's frescoes on the ceiling of the Sistine Chapel were an astonishing marriage of Christian and classical elements. Completed in 1512 after five years of labor, these extraordinary paintings today rank as supreme landmarks of Western art. This sticker collection reproduces 16 of these beautiful masterworks, among them The Libyan Sibyl, The Prophet Ezekiel, Adam, God Creating the Sun and the Moon, and The Creation of Man. Lovers of fine art will find these full-color stickers ideal for adding an eye-catching note to stationery, gift packages, notebooks, or almost any flat surface.
