

## Day Of Honor Omnibus (Star Trek)

Together in one volume: six complete novels that explore the heart and soul of Klingons everywhere! To true Klingon warriors, no occasion is more sacred than the Day of Honor, when they pay homage to all that makes them Klingon. But honor can take many forms....

**STAR TREK The Next Generation Ancient Blood** Worf finds his honor tested when he goes undercover to infiltrate a planetary criminal network. Along with his son, Worf must confront deadly danger -- as well as deceit and corruption.

**STAR TREK Deep Space Nine Armageddon Sky** Dispatched on a secret mission, Commander Worf and the crew of the Starship Defiant find themselves trapped on an alien world threatened by a global cataclysm, along with a party of disgraced Klingons whose honor has driven them out of the Empire.

**STAR TREK Voyager Her Klingon Soul** Ashamed of her Klingon heritage, B'Elanna Torres regards the Day of Honor as an unwelcome reminder of all she has struggled to repress. But when she and Harry Kim are captured by alien slavers, Torres needs all her strength and cunning to survive -- and her honor as well.

**STAR TREK Treatys Law** Captain Kirk must enter into an uneasy alliance with his old enemy, Commander Kor, when an alien fleet attacks both the Klingons and the Starship Enterprise. Now Kirk and Kor must rely on each others honor to fight a common foe.

**STAR TREK Voyager Day of Honor** B'Elanna Torres and Tom Paris put their lives on the line to save The Starship Voyager. But with time running out, Torres has only one last chance to reveal the true feelings she has buried for years.

**STAR TREK Deep Space Nine Honor Bound** When the hunting instinct takes over Commander Worf's young son Alexander, Worf gives Alexander's teacher his Klingon word of honor that his son's behavior will change. But Alexander may pay a heavy price as he faces disgrace and

dishonor for challenging his bullying classmates with character instead of force.
