

# Stencil Republic

Stencil Republic is a pure celebration of the art of the stencil. The 20 stencils featured, printed on perforated card stock so that they can be cut out and used, have been created by international artists from across the street art scene, from the old masters to the new kids on the block. A collectors item in its own right, this is a book of stencils that can be used and treasured or just simply be an inspiration to others to create.
