

## Escape from Altera (The Adventures of Clifford Croft Book 10)

Mount Perm is the ultimate Slurian Prisoner of War Camp. Built on a plateau on top of an unclimbable mountain, no prisoner has ever escaped. Even though the war with the League has long since ended, the Slurians are keeping League prisoners at Mount Perm. It is up to super spy Clifford Croft to rescue the POWs from the legendary unescapable prison, including Idaho Took and the brother of the Silencer.
