

Cooking for Sugar: Spoiling Your Pup With Doglicious Homemade Treats

Cooking for Sugar is the definitive cookbook for any dog parent. Rosalyn Acero, founder of Golden Woof, includes over 30 recipes to share with your pup. This beautifully photographed, user-friendly, bowl-licking collection of cooking tips, recipes and anecdotes is the perfect gift to share with any dog-loving parent. Going beyond the recipes, Acero includes detailed nutritional facts. With one in four pets being classified as obese leading to joint problems, digestive disorders, and more, caring for your best friend can feel scary. But with homemade, nutrition-conscious meals, you'll avoid all the unknown, all the chemicals and all the dangers of pre-processed bags of mystery. Your dog will forever be grateful as you cook FOR them!
