

The Big Book of Gazebos, Pergolas, and Other Backyard Architecture

Here is a new book rich in visual choices for everyone planning to build in their backyard. Whether you're hoping to create a simple trellis to train roses or erect a pavilion to entertain the extended family, this is the perfect place to start. Over 400 photos illustrate an impressive quantity of architectural additions for the backyard, from arched gateways to grand gazebos, pretty pergolas, picture-perfect pagodas, and fascinating follies. An illustrated glossary gives you the language and historical reference to help you achieve a more interesting landscape. This will be a treasured reference for any landscaping professional, landscape architect, backyard shed builder, or homeowner aspiring beyond the average.
