

The Catalain Book of Secrets: Hardcover 2nd Edition

Faith Falls is a snug little Minnesota town constructed over a mystery, a place where the most impressive building is a gorgeous Queen Anne with turrets, cantilevered gables, and a wraparound porch. In a concealed room beneath the twisting stairs of the Queen Anne lies the Catalain Book of Secrets, the repository of the wisdom the Catalain women have gathered since the beginning of time. Ursula Catalain, current keeper of the Book of Secrets, is content to concoct spells in her garden cottage until the ghost of the man she murdered when she was 12 appears at her door in a new form. His return pulls Jasmine, Ursulas daughter, back into the fold. Once believed to be the most powerful of the Catalains, she foreswore her gift to bury a shameful secret. The ghost of the murdered man also calls home Katrine, Jasmynes sister, who has been banished for fourteen years. Finally able to return to Faith Falls and the beloved Queen Anne, Katrine must claim her true Catalain power to save her mother and sister from the dark family curse. Told in a majestic mosaic of strong womens voices, The Catalain Book of Secrets weaves together alchemy, hope, tragedy, and true love to spin a tale in the style of Garden Spells, Eva Luna, and Practical Magic.
