

The Gift: Book 2

The Gift is a seven-book musical journey through Time and Space! Experience a Musicians life performing on stage, interacting with a tantalizing menagerie of musicians, gangsters, travelers, lovers, and spirits. Youll be challenged to decide what is real and what is imagined, and to wonder whether it even matters. Above all else, The Gift is a tender love story about two musicians who are destined to be together, despite the separations they must endure. In this Age of Mysticism, The Gift stands out as the compelling saga of a Musicians lifelong search for meaning through the realization of his special Gift. This seven-book mini-series should be enjoyed sequentially, beginning with Book 1.
