

The Herb Patch

This revised, updated printing contains a valuable fund of information for those interested in traditional remedies and natural herbal therapy, with emphasis on those herbs with many and varied uses. These simple remedies have been handed down through generations and have been used frequently in the authors home with success. The Herb Patch will help you to use plants as medicinal aids, beauty treatments and food sources. See, also, Basic Herbs and Simple Remedies. 6 x 9; 6 color photographs; perfect bound
