

The Living Art of Bonsai: Principles & Techniques of Cultivation & Propagation

Professor Amy Liang, a world-renowned bonsai artist and lecturer, offers a practical guide to the fine art of cultivating bonsai. This extravagantly produced volume, filled with hundreds upon hundreds of lavish full-color photographs, showcases the very best and most beautiful specimens from her collection. Liang surveys the history of bonsai in its many schools and styles, and offers techniques and highly detailed instructions for those who want to shape and nurture their own trees. The remarkable images display everything from dazzling miniature evergreens to flowering and fruited trees.
