

## Lovers Guide Encyclopedia: The Definitive Guide to Sex and You

An authoritative, fully illustrated guide to sex and sexual expression-- Compiled by a group of internationally known experts highly regarded in the field of sexual health-- Fully illustrated with over 100 color photos, the book contains chapters on anatomy, sexual feelings and behavior, and sex and culture-- Includes material on sexual harassment and abuse, health and hygiene, up-to-date methods of contraception, male and female menopause, and sexual disorders and their treatments Breaking new ground in its comprehensive approach to every aspect of sex and sexuality, the Lovers Guide Encyclopedia unlocks the mysteries of intimate relationships. Written in consultation with an advisory board of sexual behavior experts, the encyclopedia is designed to develop sexual knowledge and freedom with its authoritative information about the innumerable forms of human sexual expression. The encyclopedia is divided into four sections -- sexual facts, sexual feelings and behaviors, sexual attitudes and values, and a glossary of sexual terms -- for easy access and reference. One hundred color photographs accompany more than 250 pages of information and advice on topics including conception, childbirth, sexual health, sexual fantasy, sex and gender, sex and religion, menopause, and a brief history of sex through the ages, as well as a modern-day look at how sexual behavior is influenced by cultural differences and mores. From pillow talk to prostitution, libido to body language, and hormones to pheromones, the book heralds a new era of enhanced sexual knowledge and freedom in the age of AIDS. The Lovers Guide Encyclopedia provides an inspirational guide for readers to explore their own sexual responses, release their sexual potential, and open their imaginations to experience new sexual possibilities.
