

Lets Color Some Pottery

Lets Color Some Pottery, original sketchbook ideas and designs for ceramic pottery by New England and Florida based painter and potter Janvier Miller. This is a coloring book for all ages. The drawings are based on drawings for her ceramic pottery designs. Drawings include sketches of butterflies, boats, fish, birds, circus rings with elephants, acrobats and clowns, beach scenes and cats. Wonderful compositions that include pottery set in a scene. Such as monkey with a bowl, frogs sitting on a vase in a lily pond, a swimmer with a crab plate, and swimming mermaids. Sail boats travel across the page with flags flapping, fish and ducks plates with geese, and beach scenes with kids playing. Get out your crayons and colored pencils for hours of coloring fun.
