

The Lost (Sage Seed Chronicles) (Volume 5)

On the planet Ose, Erin and her sage companions have managed to stop their worlds destruction. Life is starting to return to normal. Or is it? Artifacts that mysteriously disappeared five centuries before lure people from a lost population. That forgotten incident has unknowingly set in motion events that could mean the death of a sage. With the blizzard of the century whipping through the realm, the dominoes are falling faster. Can the sages overcome deep set prejudices and distrust to prevent war?
