

Kingdom of the Stone (Chronicles of the First Age Book 1)

It is the dawn of the first age and the fallen Lords of Heaven are fighting over that newest of creations: mankind. Only Karux, a young herdsman tormented by horrific dreams of the future, can unite the tribes of men and protect them from the chaos, madness and death the fallen lords bring. To do this, he must first discover the secret names and shapes of magic with only an autistic six-year-old girl to aid him. Foreseeing his death and the death of the woman he loves, he must overcome betrayal, hold back a growing curse and train a people with no concept of war to fight against an inhuman enemy.
