

GARDENING FRUIT TREES IN THE SMALL GARDEN - BURKES HELP YOURSELF SERIES NO.37;

Edward Solomon Hyams (1910-1975) was a British writer. Hyams was known for his writings as a French scholar and socialist historian. Hyams most famous work was *Soil and Civilisation*, a history of farming which advocated organic farming and came out against mechanised agriculture. *Soil and Civilisation* has been described as an early example of environmental literature.
