

The Wisdom of the Shire: A Short Guide to a Long and Happy Life

Coinciding with the release of the first of Peter Jackson's Hobbit trilogy, his follow-up to the huge Lord of the Rings success, *The Wisdom of the Shire* is a practical and fun guide - for Tolkien fans everywhere - showing us how to apply the wisdom of *The Hobbit* to our everyday lives. Hobbits are those small but brave little people, whose courage, integrity and loyalty allow them to triumph against odds that might appear overwhelming to the rest of us. Noble Smith has long believed there is much we can learn from Frodo's determination, Bilbo's sense of homeliness, Sam's fierce allegiance, and Merry and Pippin's love of food and fun. Like *The Tao of Pooh*, *The Wisdom of the Shire* is the first book to show Tolkien fans just how much there is to learn from those small but brave little people - the Hobbits. Packed with amusing insights and fascinating trivia, this fun and insightful guide is all you need to complete your quest in life, and cast your cares into the fires of Mordor.
