

The Essential Intermodal Creative Arts Therapy Primer for ICAF/ICAT Certification

The required handbook for all students enrolled in CELAs Intermodal Creative Arts Facilitator (ICAF) Certification Program and Intermodal Creative Arts Therapist (ICAT) Certification Program. The Essential Primer is not only a step-by-step guide for applying to internships and the CELA internship process, it also provides needed information about Intermodal Creative Arts Therapy in practice--intake, assessments, planning for sessions, documentation, professional ethics--and insights regarding the languages of the arts areas, the language of medicine, and how these separate approaches to healing can learn from and communicate with each other in order to best serve the needs of their clients.
