

# Traces of the Brush: The Art of Japanese Calligraphy

In Japanese calligraphy, each stroke is rich with meaning, each character speaks volumes. *Traces of the Brush* provides the first illustrated history of this unique art. The authors explore its many styles and genres and investigate the calligraphers tools - paper, ink, and brush. Interwoven with excerpts of literature and poetry, the text immerses the Western reader in the spirit of Japanese calligraphy. Abundant full-color illustrations make this book a feast for the eyes.
